

Northeast Region Construction Specifications Institute BOARD REPORT

DATE: October 12, 2017
TO: Northeast Region Board of Directors
FROM: George Rosamond FCSI, Housatonic Chapter Region Director

SUBJECT: Report of Housatonic Chapter

A. Report Summary

1. I was appointed the Chapter's Region Director at the chapter's board meeting on September 19, 2017. I have not been an active member of the chapter for over 10 years. I return to find the same core of dedicated individuals continuing to provide the leadership and effort necessary to keep the Chapter viable and serving its members. They have been rotating leadership positions.

B. The Report

1. Summary of activities since last report:
 - a. May 23, 2017 Chapter visit to the Colt Factory co-hosted with the Hartford Chapter. Held at the JCJ Architecture office in the Colt Gateway Complex.
 - b. June 20, 2017 Chapter's Annual Presidents Night/Awards Night recognizing the efforts and achievements by its Chapter Members. It was also a social event with spouse/significant others at the meeting.
 - c. September 19, 2017 Chapter Meeting. Program by Marinoware presented by Anthony Stazzone. Approximately 15 members attended. Subject was Non-load Bearing Cold Formed Metal Studs. Majority of presentation centered on EQ studs. It was a basic presentation on quality factors of metal studs and the use of EQ studs.
2. Status of current programs:
 - a. October 16, 2017 meeting 6:00 pm. "Moisture Protection in Sidewall Applications" Advanced Building Products by Joe Lincourt.
 - b. November 21, 2017 meeting 6:00 pm. "Energy Code Compliant Insulation" by Jay Strother of Seacoast Building Solutions.
3. Problem areas: Leadership positions held by dedicated individuals filling many positions who have continued to serve for many years. Slowly new members are volunteering for Board positions and Committee Chairs.
4. Success stories:
 - a. Publications Chairman position is filled and the first issue of the chapter's newsletter in many years was sent out to 111 contacts in September.
 - b. Region Director position is filled.

- c. Chapter programs are provided by drawing from the many product reps and personal contacts from the larger A/E firms of the Chapter's region.
 - d. Location of meetings vary among the many local restaurants offering a variety of menus and ambiance adding interest to the meetings. I believe this to be a benefit to the chapter. Challenge is to find places who will commit to short term arrangements.
5. Liaison Activities: Not established at this date.

C. Chapter Leadership Roster

1. Chapter Officers

President: Chris Meyers – cmeyers@mackbrick.com
Vice President: Ross Spiegel- Rspiegel@slamcoll.com
Secretary: Roy C. Olsen- rolsen@jcj.com
