

Northeast Region Construction Specifications Institute BOARD REPORT

DATE: September 21, 2018

TO: Northeast Region Board of Directors

FROM: Anthony Stazzone

SUBJECT: Report of New Jersey

A. Report Summary

B. The Report

Summary of activities since last report.

September 22, 2018 Educational Event-
Ellis Island Trip & Guided Tour

Great event lead by Matt Funk/ Historic Preservation Architect/learned about the restoration of the Ellis
Island Hospital Buildings. Hands "Back Stage Tour"

Lunch Based on a menu from 1905

Truly an amazing event a special thanks to Joe Lobdell & Pete Cantwell !

12 CSI NJ members attended

October 18, 2018 Educational Event-
Ralston Cider Mill, Mendham, NJ

Speaker -Raymond Nadaskay, AIA

Its deep into Fall. Leaves are turning, apples are picked. And it's time to see what we can do with them
all. The Ralston Cider Mill, Mendham NJ is the last vestige of the once thriving apple cider/distillery
industry in New Jersey. The mill and internal equipment are the original and have been restored to
demonstrate pressing the apples and making cider.

November 15, 2018 Educational Event

Lunch to follow at Harold's Deli home of the 2-pound Deli sandwich and 12 Layer cakes

1. Status of current programs: Problem areas: Continuing to find ways to increase our chapter membership. Major Competition from NJ area AIA chapters.
2. Success stories: We currently have 78 members! Membership & Education headed by Joe Lobdell & Pete Cantwell. These gents have recruited new members, as well as providing some of the best Educational programs that we have had in years. Joe has personally been reaching out to design professionals, contractors, NJIT, Stevens, as well as the manufacturing professional communities.
3. Communications – Heath Waldrof is heading up all of our communications, as well as CSI NJ Chapters web site manager. This area of social media is also new for our chapter and Heath has done a great job. Please check out our web site. www.NJChapterCSI.com

The Mission of the Northeast Region is to Build Strong Chapters through Communication and Collaboration

NEW JERSEY CHAPTER BOARD OF DIRECTORS

Per the CSI bylaws, the New Jersey Chapter maintains an active Board of Directors dedicated to furthering our pursuit of enhanced project communication throughout the design and construction process. The Board meets regularly to plan events and activities, to discuss membership issues, and the Meet the board.

4. We have a strong team in place working together to create a strong chapter that appeals to the design and manufacturing professionals providing quality education opportunities.
