

**Douglas R. Sargent, CSI, ASCE,
Northwood, NH**

I would like to be President of the NE Region of CSI to utilize my skills and desire to grow the organization and attract younger members. As the core membership ages, it is important we attract younger members to carry on our legacy. Additionally, I believe we should attract engineers as well as architects and spec writers to balance the organization which will in turn attract additional members. I also expect to retire in the not too distant future and serving as NE Region President is one of my goals. I believe my diverse background and experience will allow me to bring a different and refreshing approach to the North East Region activities.

- Current Position – Senior Resident Project Representative, Wright-Pierce
- 1984 - Present, CSI Member
- 2001, Northeast Region Construction Specifications Institute Directors Award
- 2000 - 2002, NH Chapter NE Region Director
- 2000 - 2002, New Hampshire Chapter Past President
- 1998 - 2000, New Hampshire Chapter President
- 1998, Co-Chair NE Region Conference
- 1996 - 1998, New Hampshire Chapter Vice President
- 1994 - 1996, New Hampshire Chapter Secretary
- 1984 - 1991, When overseas in the military, introduced CSI and CSI Spec format to German and Italian counterparts working together. Format was well received.
- American Society of Civil Engineers (ASCE), Life Member
- Military Officers Association of America, Life Member
