

Northeast Region Construction Specifications Institute BOARD REPORT

DATE: October 15, 2021
TO: Northeast Region Board of Directors
FROM: Rebecca Campbell, Region Director

SUBJECT: Report of Vermont Chapter

A. Report Summary

1. We had a successful building tour in October. Our chapter and board remain small and this has proved to be a challenge.

B. The Report

1. Summary of activities since last report: Held successful building tour in early October.
2. Status of current programs: We are planning a program on solar readiness, but do not currently have a date. We'll be meeting on Monday October 18, so I may have more information at the region meeting.
3. Problem areas: Difficulty recruiting new members and volunteers. Our board of directors is currently 4 people, and we have trouble getting meetings planned.
4. Success stories: Our recent building tour was well attended. This sort of program seems to be a good way to get people out without too much close contact during the COVID-19 pandemic.
5. Liaison Activities: None to report.
