**B. The Report**

1. Summary of activities since last report:

Due to low attendee registration, event was downsized. Trade show and full education day were eliminated. Approximately 40 people will attend the leadership event April 29 to 30. Details of the new arrangements were worked out with the hotel to reduce our obligations and other speakers and entertainment cancelled.

2. Status of current programs: The 2022 Leadership Meeting will run from Lunch Friday through Lunch Saturday.
3. We are currently negotiating with the Hyatt Regency Jersey City On the Hudson as a potential site for the 2023 Conference. Discussion has been held with the Mid-Atlantic Region on potentially making this a Bi-Region Conference. Note: costs associated with holding the event in this location are considerably higher than previous locations due to being on the river across from NYC. The board will be provided with a budget outline for the event at its meeting and asked to give the committee direction as to whether to proceed.
4. Schedule of activities prior to next Board Meeting:
  - a. Finalize dates and location for FY2023 conference.
  - b. Determine split of responsibilities for programming a joint event with the Mid-Atlantic Region.
5. Updated conference rotation: While Rochester may be better able than Syracuse to host a 2024 event due to the overall health of the chapter, they have not committed to the switch and have not sent representation to region events this year.
