2. Status of current programs: The NHCSI Board is presently brainstorming in-person educational meetings. The NHCSI Board has initiated a new Awards Program. Details to be developed.
3. Problem areas: Still remain having issues with increasing members. Our active population seems to be getting older and we need to introduce CSI to the younger crowd. We do present and introduce CSI to the NH Technical School however the audience is mostly senior students. We need to have the juniors involved too. Our planned meetings since the last report was in-person touring various facilities.

4. Success stories: We have conducted an in-person Chapter meeting and the attendance was well received. We may be getting 2 new members. This was encouraging as some attendees were new. We will reach out to attendees that are not members. With exception to a student affiliate, our roster for the NHCSI Board of Directors is full.

5. 2022 NHCSI Board of Directors Roster

Director	Cristal Vandecar, CSI (2024 expire)

6. Schedule of activities prior to next Board Meeting: The Board of Directors is planning an in-person June meeting during which plans for future activities will be discussed.

7. Changes in Chapter Membership since last report: We currently have 18 members and holding steady. A membership campaign will be developed within the next few months to capture those that have fallen through the cracks and to seek out new members. We may be signing up 2 new members for 2022

C. Director's Liaison Activities

1. Finance Committee
2. Refer to Committee Report submitted by Tom Scriven, June 2021.
3. To be determined
4. Tom Scriven, Rebecca Campbell, Marty Helly, Tom House. Committee is working out fine with current committee members. The current members were also last year's members. It is good to have consistency.

D. Best Practices to share with the Region.

1. None

Respectfully submitted.
