

BOARD REPORT
Northeast Region Board Meeting
Spring 2022

DATE: April 29, 2022
TO: Northeast Region Board of Directors
FROM: Barton Ross

SUBJECT: Report for Region Directors – New Jersey Chapter

A. Report

- NJ Chapter is meeting monthly via ZOOM. We are strategizing on how best to offer monthly virtual lunch-and-learn program with periodic in-person chapter events and improve our membership numbers
- Membership is 63
- We are still trying to get our board trained and up-to-speed on using StarChapter, scheduling tutorials and training for board members
- We are stretched thin as at least 13 members are taking a certification exam this spring and really unavailable beyond studying

B. Programs

- To be determined

C. Problem areas:

- We have been reviewing and having issues with the Affiliate Agreement Final Draft, plus the “town hall” meetings take up time to attend
- We are having major issues trying to locate, revise and update our governance/ incorporation documents
- COVID continues to be an issue with in-person events
