

Northeast Region Construction Specifications Institute BOARD REPORT

DATE: October 13, 2022
TO: Northeast Region Board of Directors
FROM: Kenneth R. Gehringer, AIA, CDT, CCCA, Region Director

SUBJECT: Report of Long Island Chapter

A. Report Summary

1. The Long Island Chapter continues to struggle trying to regain traction and get activities going on a regular basis again.

B. The Report

1. Summary of activities since last report: We have signed up with STAR Chapter to assist with some of our work since our Board is small. We have held two program meetings the first half of this year, which is twice as many we held over the last two years.
2. Status of current programs: We have held a Board meeting in September and have another planned for November. We tentatively have a technical program scheduled for October and a holiday social for December. The Chapter is in substantial compliance with the Chapter Affiliation Agreement which was signed earlier in the year.
3. Problem areas: The Long Island Chapter Board is small (only 3-4 dependable regulars at this time), older, and technically challenged. We have signed up with STAR Chapter to assist with some of our work. We need to figure out a way to recruit younger members into the Chapter.
4. Success stories: Not dead yet, hoping to create some this fiscal year.
5. Liaison Activities: I am serving on the Region Agreement Compliance Task Force and in the process of scheduling our first meeting.

C. Chapter Leadership Roster

1. Chapter Officers

President - Bryan Jesia; bjesia@gmail.com; (631) 873-6958

Vice President – Ken Gehringer; kgehringer@h2m.com; 631-756-8000 x1354
