

Northeast Region Construction Specifications Institute BOARD REPORT

DATE: 3/17/23
TO: Northeast Region Board of Directors
FROM: Lee Curtis

SUBJECT: Report of Rochester, NY Chapter

A. Report Summary

1. The Rochester Chapter is still at +/- 78 members strong. We have gained 2 or 3 members recently

B. The Report

1. Summary of activities/ programs held since last report (All events were held at Oak Hill Country Club except for CSI Night): November 9th – CSI Rochester’s CSI Night at the Doubletree by Hilton, December 14th Designing for the Deaf: A case study at RIT LBJ Hall, January 11th The New Library – Designing with Community in Mind, February 8th – Rochester’s Inner Loop – Past, Present and Future: A Panel Discussion and lastly March 8th - Re-Use of the Historic Hickey Freeman Clothing Manufacturing Building
2. Status of current programs: Future Programs: April – 4/21/23 will be the CSI Rochester’s 2023 Awards Dinner at the Strassenburgh Planetarium, May will be a local project tour – Hickey Freeman - Re-Use of the Historic Hickey Freeman Clothing Manufacturing Building and June – 6/8/23 will be Annual Robex/ CSI Annual Golf Tournament
3. Problem areas: Increase membership and come up with ideas to solidify next years programs/ events. National consolidating the dues hurts our local dues and what our chapter has charged for our events/ programs in the past. We continue to get creative with our budget and how we deal with meals at events, etc. to create additional revenue that has been removed by Nationals policy changes
4. Success stories: Our local membership remains strong despite the tough times and our board are committed to solutions that will drive membership and continue to provide great programs our members
