

Northeast Region Construction Specifications Institute BOARD REPORT

DATE: October 13, 2023
TO: Northeast Region Board of Directors
FROM: Kenneth R. Gehringer, AIA, CDT, CCCA, Region Director

SUBJECT: Report of Long Island Chapter

A. Report Summary

1. The Long Island Chapter is starting to function again although we continue to struggle scheduling activities on a regular basis.

B. The Report

1. Summary of activities since last report: We have held a summer planning meeting in August and our first regular program and board meeting of the year on September 20. Upcoming program dates were selected for this fiscal year, except for the holiday social in December and the Annual Awards Dinner in June. The Chapter completed its Annual Chapter Check-in with Institute and is signed up with CSI's Billing Highway.
2. Status of current programs: We kicked off our first program on September 20 with Three Failures and a Save presented by Len Anastasi of Exo-Tec. The program was very good, and we had about a dozen attendees (average attendance).
3. Problem areas: The Long Island Chapter Board needs to find committee chairs and staff the Programs and Education Committee as this is our biggest weakness right now.
4. Success stories: The Chapter has a full board except for one open position for this year.
5. Liaison Activities: I am serving on the Region Agreement Compliance Task Force.

C. Chapter Leadership Roster

1. Chapter Officers

Immediate President - Bryan Jesia; bjesia@gmail.com; (631) 873-6958

President-Elect - vacant

President – Ken Gehringer; kgehringer@h2m.com; 631-756-8000 x1354
